The city's breaking down on the camel's back  
They just have to go 'cause they don't know whack  
So all you fill the streets it's appealing to see  
You won't get out the county 'cause you're bad and  
free

You've got a new horizon  
It's ephemeral style  
A melancholy town where we never smile  
And all I wanna hear is the message beep  
My dreams  
They've got to catch me because I don't get sleep  
No

Windmill  
Windmill for the land  
Turn forever hand in hand  
Take it all in on your stride  
It is ticking  
Falling down  
Love forever  
Love is free  
Let's turn forever  
You and me  
Windmill  
Windmill for the land  
Is everybody in

Feel good  
Feel good  
Feel good  
Feel good

Don't stop  
Get it  
Get it  
We are your captains  
In it steady  
Watch me navigate  
Ah  
Ha

Ha  
Ha  
Ha

Don't stop  
Get it  
Get it  
We are your captains  
In it steady  
Watch me navigate

Windmill  
Windmill for the land  
Turn forever hand in hand  
Take it all in on your stride  
It is ticking  
Falling down  
Love forever  
Love is free  
Let's turn forever  
You and me  
Windmill  
Windmill for the land  
Is everybody in

Feel good  
Feel good  
Feel good  
Feel good

Feel good  
Feel good  
Feel good  
Feel good
