### "Maybe To Spain"

He's heading down south for the winter  
Maybe to Spain  
It is warmer there

He's trading the white snow  
For the orange glow  
A place to dream away from cold extremes

Dã³nde estãis mi amor  
Where are you my love

He said bad weather gets him down  
And now I understand  
What he meant when he told me  
He's going away  
I am the winter's day

Dã³nde estãis mi amor  
Where are you my love  
Dã³nde estãis mi amor  
Where are you my love

Dã³nde estãis mi amor  
Where are you my love  
Dã³nde estãis mi amor  
Where are you my love

Dã³nde estãis mi amor  
Where are you my love
