I'd like you to meet
The other side of me
Gotta getcha, gotta getcha, gotta getcha

When it's time to rock
She's a celebrity
Gotta getcha, gotta getcha, gotta getcha
I got you, I got you
And now she's got me

She drowns me out
When I shout
I'm so overpowered
I cannot hide
From the opposite side
When she takes me over

Flip the switch
Makes me split into insanity
Gotta getcha, gotta getcha, gotta getcha

Out of control
Shocking like electricity
Gotta getcha, gotta getcha, gotta getcha
I got you, I got you
And now she's got me

She drowns me out
When I shout
I'm so overpowered
I cannot hide
From the opposite side
When she takes me over

Let's co-exist
What's wrong with this
What's wrong with this
What's wrong with this

She drowns me out
When I shout

I'm so overpowered
I cannot hide
From the opposite side
When she takes me over
When she takes me over

I cannot hide
From the opposite side
When she takes me over
