"A Last Look"

I said goodbye
To the ones I had to know
When the shape wouldn't fit
Into any of your holes
When it is so easy not to see
It's always what you need

All the damage is done
And brought on home
And the sun you hanged
Upon your wall
Won't shine on thru to anyone

I wanted to find
What I guess I always had
I just rewind and tape it
I take a step and move ahead
I just throw the first stone
When all the traces leads to you
It's all I have to do

When nobody is around
To hear the same sound
And nobody will care
What's about to go down
We are first in the row
If you say so
And here's a last look
Before you go
