(So cool and crazy and wild and upside down)

I bored, and that's not fun
I wanna get away
But I'm too tired to run,
I'm gonna find a place where there are no rules,
and the world is wild
I have the tools to make things happen
And the reaction will explode

(Chorus)

The lights go off, the world flips upside down
I brought the party to town.
My deal to make my chance to take
So take a ride, fly by the wayside
Fly by the wayside
(Repeat Chorus)

Fly by the wayside, wayside,
WAYSIDE!!!
