VERSE ONE

You see the kid who just tagged along
Too young to know what was going on
Wouldn't give me the time of day
Well, little sister grew up and hey, don't you see
I think I need for you to take me seriously

PRE-CHORUS 1

'Cause I seriously got a lot of
Things to say, don't you see
How it could be

CHORUS

I could be the girl most likely to
Blow you away with what I can do
Maybe I'm a superstar
Maybe I got all the cards in my hands
I could be the girl most likely to
Make every dream I'm dreamin' come true
What you see is what you get
I haven't even happen yet
Haven't even happen yet...

VERSE TWO

Who knows, someday I could be front page news
Everybody wishin' they were in my shoes
I bet you'd never guessed
All the times I took the backseat instead
Tellin' all the world what was in my head

PRE-CHORUS 2

And I definitely got a lot of
Things to do, don't you know
How it could go

+REPEAT CHORUS

BRIDGE

Oh, Oh...
It can go either way
Oh, Oh...
I could be the one to say

I told you so...Yeah!

+REPEAT CHORUS (2x)

I could be the girl most likely to
Blow you away with what I can do...yeah!
