[Robbie]

It's all you ever hear  
Look like this  
Think like this  
Be like this  
How do you fight it  
We started our own radio station  
We keep our identities secret  
It gives us the power to say what we want  
As loud as we want

[Skye]

We change the rules around  
We've got a different sound  
Tuned into the underground

Cause when it gets too much  
You have no choice  
Oh yeah  
You've got to make some noise

Are you listening  
Are you listening  
Now we're on the air

[Robbie]
