I feel they're looking down on me
Or am I paranoid?
No where to hide
No room to breathe

I'm like a flower in the shade
I'm like a bird in a cage

I want a real life
I just wanna feel like
Gettin' tired of livin' in a bubble
Wanna get in trouble
Gotta be my own self
I can't be nobody else
And If I can only make one wish
I just wanna live a real life
A real life

Inside your castle in the sky
I'm just a prisoner
Sometimes I wish I could
Kiss it all goodbye

I try to please you
Why don't I matter to?

I want a real life
I just wanna feel like
Gettin' tired of livin' in a bubble
Wanna get in trouble
Gotta be my own self
I can't be nobody else
And If I can only make one wish
I just wanna live a real life
A real life

I'm just a simple girl
In a complicated world
I'm giving it my best

I'm like a flower in the shade

I'm like a bird in a cage

I want a real life
I just wanna feel like
Gettin' tired of livin' in a bubble
Wanna get in trouble
Gotta be my own self
I can't be nobody else
And If I can only make one wish

I want a real life
I just wanna feel like
Gettin' tired of livin' in a bubble
Wanna get in trouble
Gotta be my own self
I can't be nobody else
And If I can only make one wish
I just wanna live a real life
