For someone so young and naive  
Hard to know what to believe  
Still I thought I tried for a while  
Turning round and givin' up is not my style  
On my own, on my own way

Bottled up is where my fears go, my fears go  
I will never show my fear  
They'll tear me up until' my tears show, my tears show  
Smoke and mirrors

You must try hard, don't give in  
Keep it up and you win  
Don't let them know they get to you  
Put on a brave face and you'll get through  
On your own, on your own way

Bottled up is where your fears go, your fears go  
You will never show your fear  
They'll tear you up until' your tears show, your tears  
show  
Smoke and mirrors

This journey of ours never ends  
We will always pretend  
Fighting not to let them win  
And not falling into our illusions  
On our own, on our own way

Bottled up is where our fears go, our fears go  
We will never show our fear  
They'll tear us up until' our tears show, our tears show  
Smoke and mirrors  
Smoke and mirrors
