I am taking you over to the dark side  
Rock 'n' roll

I'd like you to meet  
The other side of me  
Gotta getcha, gotta getcha, gotta getcha

When it's time to rock  
She's a celebrity  
Gotta getcha, gotta getcha, gotta getcha

I got you, I got you  
And now she's got me

She drowns me out  
When I shout  
I'm so overpowered

I cannot hide  
From the opposite side  
When she takes me over

Flip the switch  
Makes me split into insanity  
Gotta getcha, gotta getcha, gotta getcha

Out of control  
Shocking like electricity  
Gotta getcha, gotta getcha, gotta getcha

I got you, I got you  
And now she's got me

She drowns me out  
When I shout  
I'm so overpowered

I cannot hide  
From the opposite side  
When she takes me over

Let's co-exist

What's wrong with this  
What's wrong with this  
What's wrong with this

She drowns me out  
When I shout  
I'm so overpowered

I cannot hide  
From the opposite side  
When she takes me over  
When she takes me over

I cannot hide  
From the opposite side  
When she takes me over
