(Liana): It's so rare to find a friend like you  
(Alexa): Somehow when you're around, the sky is  
always blue  
(Liana): The way we talk, the things you say  
(Alexa): The way you make it all ok  
(Liana): And how you know all of my jokes,  
(Alexa): But I laugh anyway!

Chorus: If I could wish for one thing,  
I'd take the smile that you bring,  
Wherever you go in this world I'll come along.  
Together we dream the same dream.  
Forever I'm here for you, you're here for me.  
Oh whoa,  
Two voices, one song.

(Liana): Now everyday is something new  
(Both): And any path we take  
I'm looking forward to  
(Alexa): The way we try & never quit  
(Liana): The way that all our pieces fit  
(Alexa): The way we know the parts by heart  
(Both): And sing out loud

(Chorus)

Bridge: And anywhere you are,  
You know I'll be around.  
And when you call my name,  
I'll listen for the sound  
(Repeat Chorus 2x)
