I took a walk with my basket full of goodies
Outside my boundaries
With my red hoodie on
I found a forest and it led to a valley
Sooner or later
All the daylight was gone

Skip and a hop
The stars are shining up above me
I'm on my way
I'm not afraid
All inhibitions gone
A voice awakened of someone in the moonlight
Caught in a trance
Of sweet romance
So I sang along

Ooh ooh
The wolf's howlin' at the moon
Ooh Ooh
You will
In a minute
Or two
Be erased by my tune
Yeah!

Wolves and witches
All the bitches
They just bring you down
How much better
The world would be
Without them around
Wolves and witches
They're lost wishes
They just can't be found
They're chewed and tattered
Spell casts
They're banished
Now

I took a walk to see where the path would take me
Follow the bread crumbs

And I fed them to the birds
No one can find me in my house made out of candy
Only a trail of notes
And the air could still be heard

Ooh ooh
The witches are mad
Ooh ooh
You won't
Hear them cry
To the sky
'Cause I'm gonna rhyme
My time away

Wolves and witches
All the bitches
They just bring you down
How much better
The world would be
Without them around

Wolves and witches
They're lost wishes
They just can't be found
They're chewed and tattered
Spell casts
They're banished
Now

And the song goes like this

Oh
Ooh
Oh
Ooh
Oh
Ooh
Oh
Ooh
Oh
Ooh
Oh
Ooh

Yeah!
Wolves and witches
All the bitches
They just bring
You down
How much better
The world would be
Without them
Around

Wolves and witches
They're lost witches
They just can't
Be found
They're chewed and tattered
Spell casts
They're banished
Now

Wolves and witches
All the bitches
They just bring you down
How much better
The world be
Without them around
Wolves and witches
They're lost wishes
They just can't be found
They're chewed and tattered
Spell casts
They're banished
Spell casts
They're banished
Spell casts
They're banished
Spell casts
They're banished
NOW!
