Thought you'd always be there,  
Thought you'd always want me,  
Thought you'd always be around to hold me,  
Now that's overrated,  
Now your picture's faded,  
You don't even know the world that I'm from

Ooooooh,  
Ooooooh,

Chorus:  
I get love when I'm dreaming,  
I get love when you're there,  
All those times now are changing,  
You're not there,  
You're not there for me anymore,

Ooooooh,

Sometimes the felling's sinking,  
Don't know what you were thinking,  
Thought I knew you but it feels so over,  
There inside my head,  
Of all the things you said,  
I wish that I could feel the way I used to

Ooooooh,

Chorus:  
I get love when I'm dreaming,  
I get love when you're there,  
All those times now are changing,  
You're not there,  
You're not there for me,  
I get love when you're with me,  
I get love when you're near,  
All those times now are changing,  
You're not there,  
You're not there for me anymore,

Cause everything I used to feel is still there,

Deep inside,  
There's nothing that we will lose,  
So I'll keep and I'll fly,

Chorus:

I get love when I'm dreaming,  
I get love when you're there,  
All those times now are changing,  
You're not there,  
You're not there for me,  
I get love when you're with me,  
I get love when you're near,  
All those times now are changing,  
You're not there,  
You're not there for me anymore,

Ooooooh,

Ooooooh,  
Ooooooh,

Ooooooh
