Ravenous waves attack  
Drawn by the scent of life  
Fever of our blood  
Instinct rules this mass, ruthless living sea Devouring  
Countless vermin gnashing at my face  
Tear meat from my skull  
Swarming rabid, features are erased  
Unrecognizable  
Body covered, rat filled innards  
Shred internal organs  
Heart and lungs consumed from inside but my pain  
doesn't end  
I have not died  
Devour, cesspool of vermin  
Devour, bloodthirsty rabid  
Devoured by vermin  
Resistance now gives way, the rodents freely feed  
Tearing at my skin  
Muscles are exposed, shining red with blood  
Meat that they seek  
Crawling rodents gorging on me  
Repulsive starving droves  
Shredding, stripping, consuming all I was  
Tissue pulled from bones  
Dying slowly, feeling every fang  
Shock has yet to come  
Scavengers tear out my eyes  
My pain won't end, I have not died  
Devour, cesspool of vermin  
Devour, bloodthirsty rabid  
Devoured by vermin  
Ruthless gnawing vermin - feed  
Cleaning off my bones while I breathe  
Stenching greasy rodents - swarm  
My body is losing its form  
Devour, cesspool of vermin  
Devour, bloodthirsty rabid  
Devoured by vermin
