In my bed, had a dream, fell asleep to the washing
machine
Tossed and turned and what I learned was a lesson
indeed
Took a sip from the cup, I hope that it fills me up
Took a chance at the dance, but I've got bad luck

I ran away, she didn't know what to say
What can be done for a lover who has no one

Kirsty May is out to play, on a hot summers day
Kristy and a look alike friend are hanging out
What was said I don't know but all my taps they long to
flow
Is it a curse could it be worse, I don't know

I ran away, she didn't know what to say
What can be done for a lover who has no one
