It's the morning; I awaken alone.
Looking for you... where did you go?
In the shadows around me, there at my side.
Awaken...

You're nowhere, yet you're there at my side;
When the dawn is breaking, in you I confide.

The dust falls on my pillow; the books on the floor;
I'm searching for you... you're not there anymore.
As the light crawls through my window, I reach outside;
But I'm falling, on the inside.

You're nowhere, yet you're there at my side;
When the dawn is breaking, in you I confide.
In you I confide.

You're nowhere, yet you're there at my side;
When the dawn is breaking, in you I confide.
In you I confide. In you I confide.

Ooh's...
