Remember what you read.
Remember what they said.
Don't hesitate or ruminate,
Just throw it all away.
In the corner of the room,
She's dancing in the groove,
She mystifies, and hypnotize,
And then you say.

Your eyes cause me to dance,
And I'm falling on the ground.
When I'm in your trance,
I'm lost, and then I'm found.

Up and down,
Stuck in the middle;
I'm round and round,
Up in the middle;
I leave the ground,
Can't find the middle now
When you hold me.
All around, up in the middle,
I hit the ground,
Lie and I fiddle,
I can't be found.
Can't find the middle now
When you hold me.

Your body mystifies,
I see it in your eyes,
I taste your lips, I feel your hips,
And then we touch the skies.
Our bodies start to dance,
I'm caught within your trance.
You look away, and interplay,
And then I say:

Your eyes cause me to dance,
And I'm falling on the ground.
When I'm in your trance,
I'm lost, and then I'm found.

Up and down,
Stuck in the middle;
I'm round and round,
Up in the middle;
I leave the ground,
Can't find the middle now
When you hold me.
All around, up in the middle,
I hit the ground,
Lie and I fiddle,
I can't be found.
Can't find the middle now
When you hold me.

La da da da do.
La da da da do.
La da da da do.
