

The Energy

"Say Goodbye"

Visit "[Say Goodbye](#)" on MotoLyrics.com

I'm out here in the open;
That's where I want to be.
A million miles of road
Stretch like a God in front of me.
I don't know where I'm going.
I don't know where I've been.
They tell me that the future
Is a girl I haven't seen.

You said you threw your soul away,
But I can't save you yesterday.
I lift my wings and say goodbye,
I'm reaching further towards the sky.
Look up and you will see me there,
'Cause girl, we ain't got a prayer.

I must be going forward,
I can't be sticking back.
I'm running like a demon
Who is scared to say goodbye.
I'm hoping that the mercy
That brought me to this grace,
Will lift the gates of torment
And erase you from this place.

You said you threw your soul away,
But I can't save you yesterday.
I lift my wings and say goodbye.
I'm reaching further towards the sky.
Look up and you will see me there,
'Cause girl, we ain't got a prayer.

And there were nights when things were rough;
And there were times I couldn't see;
And there were times when there was love,
But let me be.

I lift my wings and say goodbye.
I'm reaching further towards the sky.
Look up and you will see me there,
'Cause girl, we ain't got a prayer.

No, no, no.
No, no, no.
No, no, no.
