[Silver River Flows]

Sidrabina upe tek
Visgarami zelta kalnu
Tur jaj visi karakungi
Zobentinus balinati
Aunies kajas, balelini
Sedlo savu kumelinu
Es dzirdeju aiz vartiem
Vara bungas ribinot
Veratiesi, vara varti,
Lidz pasami galinami.
Nu jas mani balelini,
Krustiem jozti zobentini
Visiem puski aiz cepures
Visiem zvaigznes zobena
No cepures gaisma ausa
No zobena saule leca
Gerb, balini, dzelza gerbu
Negerb tira sudrabina
Dzelza gerbs kara der
Sudrabina nedereja
