[Horses Neighed]

Zirgi zviedza, jodi brauca
Upit' tecej' curkstedam'
Es staveju malina
Ar zobenu rocina
Es nocirtu jodam galvu
Devinos gabalos
Man noskida brunie svarki
Ar tam joda asinim
Tu, Perkonis, gudris viris
Kur es vinus izmazgas'?
Mekle tadu ezerinu
Kur devinas upes tek
Tu, Perkonis, gudris viris
Kur es vinus izzaves'?
Mekle tadu ozolinu
Kur devinas saules lec
Tu, Perkonis, gudris viris
Kur es vinus noglabas'?
Mekle tadu osa ladi
Ar devini atslegam
Tu, Perkonis, gudris viris
Kur es vinus novalkas'?
Jaj, puisiti, uz karinu
Tur tu vinus novalkas'
