There's a song that I wrote
And I wrote it for you
It's wrapped up in ribbons and packaging
If you open the box
I can't say what you'll find
You can take it on home
Put it up on the shelf
It's all yours
It's just a thing that I made
You can take it outside
And sit down in the shade
It's all yours

Chorus:

Oh, the melody comes from my heart
But the words are just words
You can take them apart
It's all yours
It's all yours

It's just a song that I wrote
But I wrote it for you
It's a kind of a last- minute gift
And I've had it awhile
Since I first saw you smile
Won't you take it with you
You can whirl it around
It's all yours
It's just a song for a lark
Take it out late at night
It might glow in the dark
It's all yours

Chorus

It's all yours
It's all yours
