EVE

JIM CAPALDI - 1972

Eve, there's a woman in your eyes  
Ooo Eve you made me realize  
Eve give me a smile  
Ooo Eve you're only a child

But it's making me turn my head all the time  
'cause looking at your face is like seeing the sunshine

Eve I'll never let you down  
Ooo Eve I'll always be around

And it's making me turn my head all the time  
'cause looking at your face is like seeing the sunshine

Eve give me a smile  
Ooo Eve you're only a child
