June 1986

Place Catskill, New York

Went to the gym but I couldn't get in

Cus D'Amato taught him to fight

He's a hell of a fighter

Iron Mike (swing)

Iron Mike

All my fighters call me Mr. Rooney

And holler at me peek-a-boo

Could've got you with Cus but they'll never get us

No disrespect, Mike

Cus is gone

It's time we go for the title

Iron Mike (swing)

Iron Mike

Stay away from Don King [x3]

Stay away

Stay away

Burn down old Vegas strip burn down

Burn down old Cus's Gym burn down

Day-time TV court dates and bankruptcy

Circle you through a maze of pay-per-view

Burn down old Vegas strip burn down

Burn down old Cus's Gym burn down

You still gotta fight, so burn on Kid Dynamite

Oh, Iron Mike burn on

Sha la la la la la la la la
