Bowling Green is the perfect place for girls to meet
boys
Don't go skipping around
Where you're not invited
The man knows how to dress
Seen him in the Wall Street press
He's a toastable philanthropist
He's the chairman of the company

He takes you to Palm beach
And now your wedding's arranged
The Royal Hawaiian hotel
Billions in charities
Now your mother's in tears
Pacing through the kitchen hears
Your name on the Fox Five news
In a fraud investigation

Turn on the TV, it's your daughter Mr. Kain
Turn on the TV, it's your daughter Mr. Kain
How could it end this way, you never could tell
At the royal Hawaiian hotel

Panama all the way to Anaheim
That's where the Giants sleep
A boy in a Bentley
A party of political elite
Posing on the tenth hole green
Hungry for a photograph with the man of the century

Turn on the TV, it's your daughter Mr. Kain
Turn on the TV, it's your daughter Mrs. Kain
How could it end this way, you never could tell
At the royal Hawaiian hotel

How did it end this way, Mr. Kain
How did it end this way, Mr. Kain
How did it end this way, Mr. Kain
How did it end this way, Mr. Kain
