

The Fevered "Cycles"

To once abhor, is to always abhor
The deeds of those so needy
To stand behind the ancient standards
Of those the world has left behind

World has left behind

Morality is the ideal
On which belief is based
To claim it as your own
And twist it so
Is a fallacy

Imagine a world where faith is used
Not to propagate misunderstanding
But rather to ease suffering
An impossible dream
The walls are left up
Defences buckled down
As humanity is left

Is left behind

As humanity is
Left behind
As the world is
Left behind
