"Breaking Free"

You know the world can see us
In a way that's different than who we are
Creating space between us
Till we're separate hearts

Can you feel it building?
Like a wave the ocean just can't control
Connected by a feeling
In our very souls

Rising till it lifts us up
So everyone can see

We're soarin'
Flyin'
If we're tryin'
Then we're breakin' free

We're soarin'
Flyin'
There's not a star in heaven that we can't reach

We're soarin'
Flyin'
If we're tryin'
Then we're breaking free

Can you feel it building?
Like a wave the ocean just can't control
Connected by a feeling
Ohh, in my very soul

But You're faith
It gives strength
Strength to believe

Gliding till it lifts us up
So everyone can see

We're soarin'
Flyin'
There's not a star in heaven that we can't reach

We're soarin'
Flyin'
If we're tryin'
Then we're breaking free

We're soarin'
Flyin'
There's not a star in heaven that we can't reach

We're soarin'
Flyin'
If we're tryin'
Then we're breaking free

We're breaking free

Then we're breaking free

We're soarin'
Flyin'
There's not a star in heaven that we can't reach

We're soarin'
Flyin'
Yeah, we're breaking free
