There's always one thing  
They want to ask me  
As they proceed to invade my world  
It's never with originality  
They always make me want to hurl  
Do you think that I'm really impressed  
By the way they talk?  
Well I couldn't care less

So don't tell me you know how it feels  
You don't know me  
You don't know the deal  
Look a little bit closer,  
You'll see I'm real  
Don't tell me you know how it feels

Suppose it gives them some satisfaction  
When they pretend they don't know my name  
Can't legislate for that reaction  
Everyone has changed, but I'm still the same  
Do you think that I'm really impressed  
By they way that they talk?  
Well I couldn't care less

So don't tell me you know how it feels  
You don't know me  
You don't know the deal  
Look a little bit closer,  
You'll see I'm real  
Don't tell me you know how it feels  
So don't tell me you know how it feels  
You don't know me  
You don't know the deal  
Look a little bit closer,  
You'll see I'm real  
Don't tell me you know how it feels

You don't know how it feels  
You don't know how it feels  
You don't know how it feels  
You don't know how it feels

How it feels

So don't tell me you know how it feels

You don't know me

You don't know the deal

Look a little bit closer,

You'll see I'm real

Don't tell me you know how it feels

So don't tell me you know how it feels

You don't know me

You don't know the deal

Look a little bit closer,

You'll see I'm real

Don't tell me you know how it feels
