You've got a problem with me
Because you don't like my case
You don't get my issues
So tell me to my face
I've done nothing wrong
Just spoke my point of view
But you don't want to listen
'Cause the spotlight's off you
You

Shut up yourself
Go back home
Go get a life
A life of your own
Just shut up yourself
'Cause you'll be alone
No one will like you
You'll be alone

You never even met me
But you judge me anyway
That's really so unfair
But I don't have to pay
You say you want to slap me
You wouldn't dare to try
And if you ever touch me
I'll give you a black eye
Eye

Shut up yourself
Go back home
Go get a life
A life of your own
Just shut up yourself
'Cause you'll be alone
No one will like you
You'll be alone

You can't handle the truth
That's what your problem is
You can't tell me what to do

That's what your problem is

You'll never change your mind
'Cause your attitude's too bad
I know you really hate me
But I think you're pretty sad
Go moan about someone else
'Cause I don't give a damn
What anybody thinks
They don't know who I am
Am

Shut up yourself
Go back home
Go get a life
A life of your own
Just shut up yourself
'Cause you'll be alone
No one will like you
You'll be alone
