All the faces (all the faces)  
All the heads (all the heads)  
All the shapes (all the shapes)  
I can't escape (Can I escape)  
All the colors (all the colors)  
All I see (all I see)  
Hideous formations (hideous formations)  
In front of me

Every single kid  
With their heads with their heads  
Held high to the sky  
Makes me really want to cry

Ugly shaped heads  
Out of proportion  
Ugly shaped heads (yeah)  
Out of proportion

All the faces (all the faces)  
All the heads (all the heads)  
All the shapes (all the shapes)  
I can't escape (Can I escape)  
All the colors (all the colors)  
All I see (all I see)  
Hideous formations (hideous formations)  
In front of me

Claiming that you're cute  
Yeah, that's not really true  
While your head is held high  
Don't you wonder why?  
Every single kid  
With their heads with their heads  
Held high to the sky  
Makes me really want to cry

Ugly shaped heads  
Out of proportion  
Ugly shaped heads (yeah)  
Out of proportion

I am your superior  
You see that you're inferior?  
With your gargantuan head  
That you can't deny  
Bow down to me  
Before you die  
The bulbous thing  
You call your head  
You'd be so much better off dead  
With your gargantuan head  
That you can't deny  
Bow down to me  
Bow down to me!

Ugly shaped heads  
Out of proportion  
Ugly shaped heads  
Out of proportion
