Visit "[I Will Be There](#)" on [MotoLyrics.com](http://MotoLyrics.com)

whenever you feel all alone  
whenever you feel there is no reason to go on  
when there is doubt in your heart  
when there is no one in this world that you can find

who will give you support in everything you do  
and who will believe that you will see things through

i will be there  
i'll be there  
i'll be the shoulder you can lean on  
i'll be your friend you can depend on  
i will be there  
i will be there

there are times when things go wrong  
yes there are times when you just feel you dont belong  
there are days when things don't go right  
yes there were days when you're not willing to fight

you will need someone who will tell you its okay  
someone who believes, believes in you all the way

i will be there  
i'll be there  
i'll be the shoulder you can lean on  
i'll be your friend you can depend on  
i will be there  
i will be there

i will be there  
i'll be there  
i'll be the shoulder you can lean on  
i'll be your friend you can depend on  
i will be there  
i will be there

ooh, i will be there  
i'll be there  
i'll be the shoulder you can lean on  
i'll be your friend you can depend on  
i will be there

i will be there

coda:

i'll be your shoulder

i'll be your friend

your friend your friend your friend.. my baby

i will be there

hmm... yes my baby...

hmm... i will be there
