Lyrics: Antonini

GOBLIN AND TROLL: Thoughts are crying out from your mind tonight

But you keep on getting out of my eyes

GOBLIN AND TROLL: Tears are rolling down on your face tonight

But you keep on burning my soul inside

cause you keep on burning my spirit and

I'm yearning that time don't get over my home

GOBLIN AND TROLL: Sun is crossing, the light of day

But you will not give us our chance to pray

GOBLIN AND TROLL: Planets are fighting in the Milky Way

But you're trying to take my soul away

cause you're trying to break these Evil Chains

to take us in the World of the Snow.

CYCLOPS: ...The Princess...

Princess of the Snow

Please show me the way tonight

please guide our soul tonight

Princess of the Snow

You keep on burning my soul is yearning

I won't forget your world

(Princess of the Snow)

My time is ending would you mind lend me

the power of your world

Walking in the land where the Princess was born

I will survive running straight to the North

I'm feeling the witch coming knock on my door

(WITCH: I'm on my way)

Jump on my ship to the Land of the Snow

GOBLIN: Have you seen the princess?

WITCH AND OGRE: We killed the princess

ORACLE: What have you done?

OGRE: So now I own the world!

ANGELS: She'll never die!
