Damage Done

by Coleman R. Brice

(c) 2009

Am G

When you hope and you pray
But you know there's nothing left to say
Its damage done, damage done,
like a setting sun, it's damage done..

Am G

When you fight when you fear
When you hate when love draws near
Its damage done, damage done,
like a setting sun, it's damage done..

E F E Dm

All night and everyday
Endless plight we run away
From ourselves into malaise
Living hell of our own constraint

Am G

Its damage done, damage done,
like a setting sun, it's damage done..
solo
solo

Am G

Its too late some will say
Written fate that can't be change
Its damage done, damage done,
like a setting sun, it's damage done..

Am G

We're all hurt, we're all broken
Too many words, never spoken
Its damage done, damage done,
like a setting sun, it's damage done..
