My head has thoughts,  
What a ridiculous place to start  
She said "Well how about my chest?  
Or more specifically my heart"  
Whenever I'm alone or feeling lonely,  
I pretend I can play the drums inside my head,  
And I am good,  
They love these songs,  
They love my songs

But I am not a dirty god,  
And I don't have a dirty body,  
And I am alone only half of the time,  
The other half, I am only hiding,  
And she was getting high,  
Yeah, she was smoking pot,  
I'm pretty sure I am the only guy she's hooked up with  
tonight,  
But probably, (oh) probably not

Who did I think I was?  
Who did I think that I could be?  
Oh, how dare me  
Oh, how dare me  
And there's a voice in the back of my head,  
In the back of my head says "Let him be,  
Just let him be happy"  
I'm gonna go crazy

I am the water  
In the puddle in the shade of a tree  
When I freeze over, you are the sun, you cannot touch  
me,  
And the tree feels bad,  
I can tell by the way that it felt  
But it still wont move,  
So the ice won't melt,  
No, it still wont move,  
So the ice won't melt

But I am not a dirty god,

I don't have a dirty body  
And I am alone only half the time  
The other half,  
I am only hiding

Keep my body alive,  
Keep my arms reaching out towards anyone

But I am not a dirty god,  
And I don't have a dirty body,  
And I am alone only half of the time,  
The other half I am only hiding,  
And we were getting (hahahahahaha)high  
And I was smoking pot  
I'm pretty sure I am the only guy she's hooked up with  
tonight  
But probably, probably not
