It wont be from a lack of trying,
How many times did I watch you dying?
You say you'll try but you're really lying
You fade and fade until you're no longer thereâ€¦
It wont be from a lack of trying,
How many times did I watch you dying?
You say you'll try but you're really lying
You fade out and fade and fade and fadeâ€¦

And I can watch it happen,
Right before my very eyesâ€¦
And I can feel it sinking,
And forever change our livesâ€¦
It's like I'm on a cruise ship,
And I see a ship wreckâ€¦
And I can't bare these tortured screams
From everyone on boardâ€¦
The entire crew dies,
And I'm so useless,
To do anything but dreamâ€¦
There is no saving them
It's all the same,
There is no differenceâ€¦
I had to die,
As you just waved goodbyeâ€¦
And it's so selfish,
You won't let me rescue youâ€¦
And it's your death wish,
And nothing else would everâ€¦doâ€¦

I'm waiting for that phone call,
The one that I have learned to dreadâ€¦
She'll say the worst has happened,
This time there's no second chanceâ€¦

It wont be from a lack of trying,
How many times did I watch you dying?
You say you'll try but you're really lying
You fade and fade until you're no longer thereâ€¦
It wont be from a lack of trying,
How many times did I watch you dying?

You say you'll try but you're really lying
You fade out and fade and fade and fade

(Fade)

Spark and fade out, like you have before

(Fade)

You gave me nothing, I needed something more

Spark and fade out, like you have before

You gave me nothing, I needed something

Spark and fade out, like you have before

You gave me nothing, I needed something more

Spark and fade out, like you have before

You gave me nothing, I needed something

Spark and fade out, like you have before

You gave me nothing, I needed something

Why can't you let me, save you now?

Why can't you seek, the life you hold?

Why can't you let me, save you now?
