(Verse)

You should know that you don't kick, if you don't have to

All that's fair in luv and war, I know, don't get me wrong!

But if you listen to your heart, it may mislead you
Lord, I should know, I have felt lost for so long

(Chorus)

You had me go from what I though was smart and carefully

To seriously slippin' outta control

(Verse 2)

But I have to learn that this luv will neva be convenient
Im gonna have to learn that this luv will neva be convenient

Its not like a movie when we kiss; there is no music when we kiss

And Im gonna have to learn that this luv will neva be convenient

Convenient, oh convenient

(Verse 3)

I hear her whisper 'all I want is to want nothin'

The room is dark and Im pretty sure she thinks Im asleep

She says 'it just don't make no sense, why can't it work out in my head?'

'Why I can't be happy when there's definitely reasons I should be?'

(Chorus)

She says that I, for one, will not be held responsible

For someone else, I gotta go!

(Interlude)

Im gonna have to learn that this luv will neva be convenient

And Im gonna have to learn that this love will neva be convenient

Convenient, oh convenient

(Verse 4)

Lets talk about how it felt on my shoulders as it came
pourin' out my ears

Lets talk about the face of our love and how it might
look

With the addition of tattooed tears

Lets talk about the torn up skin on my fingers right
where it meets my fingernails

Lets talk about what you call smart and careful
Is seriously slippin' out of control

(Interlude)

Im gonna have to learn that this love will neva be
convenient

Im gonna have to learn that this love will neva be
convenient

Its not like a movie when we kiss, there'll neva be no
music when we kiss

And Im gonna have to learn that this love will neva be
convenient

Convenient, oh convenient
