Empty desk it's almost ten
Sneaking in late again
Out to lunch punching out
I don't wanna be the one stuck here working for
Call in sick sick of work
Sneaking in late again
Don't wanna be employee
You're the one who's paying me to run away from

You're not working me down
I'm not working for you
I'm just running around
Playing hide and seek five days a week with you

Half awake coffee break
Sneaking in late again
Who's the boss at a loss
Thinking all the places I could be instead of
Never leave soon enough
Think I'll quit call my bluff
Need this job I don't care
I don't wanna be here when I'm 65 years
Running out out of time
Can't get out twenty-five
Giving in given up
I'll just be another one who's stuck here working for.
