"Trout"

You wouldn't do it with a trout
A gas can with an open spout
But you left me out

A wallet with a thousand dollars
Both your dogs without their collars
But you left me out

I only wanted to be in
I knew you'd leave me out again

A hundred pounds of pure cocaine
Or the cake out in the rain
But you left me out

Like a tag on a mattress cover,
Would you do it to any other
You left me out

Let me in let me in let me in let me in let me in let me
in... let me out
