Breathe  
Just breathe  
What are you waiting for

Incisions forced, blood runs  
We're forced to believe it  
Don't you see it  
Your being overthrown by...

WE ARE THE KNIGHTS  
Your nightmare arrives  
I don't think you know  
I don't think you know  
What has come for you,

Follow the lights  
Their burning so bright  
I don't think you know  
I don't think you know  
What has come for you

Breathe  
Just breathe

Won't you walk through the door

Focus on all your instincts,

It brings you deeper to the  
Meaning of what we've become

Show your heart of stone

We are the knights  
Your nightmare arrives  
I don't think you know  
I don't think you know  
What has come for you

Follow the lights  
Their burning so bright  
I don't think you know

I don't think you know  
What has come for you

We subside  
Lost in your eyes  
You burn so bright

We subside  
Lost in your eyes  
You burn so bright
