I am your good tool How much do you buy us for? Let's negotiate... Value of the pain

Do you know?
What your removed
In the party meeting place of that day...
Those are trust and respect. Only intent to murder is left
It is laughing with the wineglass
A splendid toast to the old men!
Let's send this song to dear swindler.

Hey, chairman Listen with those ears Guide it to the hell

To you who think about things like money Let's send this word You and so on can't manipulate me! It can't become a music machine! Will any amount be in the substitute?

I am your good tool How much do you buy us for? Let's negotiate Value of the pain...(Can you pay it?)

Do you know?
What your removed
In the party meeting place of that day
Those are trust and respect
Kneel before me
Dear chairman!

Even if the tail is wagged for the hit chart You can't become a hit maker. (Give up right now!)

To you who think about things with money The last contract You and so on can't manipulate me! This is the way that mine does it Sign this contract Don't show that dirty face again
