A crazy man in the same trade.
Show me your face.
A violence society?
It can laugh.
Teach it to my mom.
You get your ass kicked.
Begin to scream like a man?

The destroyer of the anachronism.
I believed in all your words.
Though it became such a result now.
It was loved.

Absorb fear and die.
Know all the pain given to it.
Absorb fear and die.
Die staring at yourself.

Tell me a truth and a lie.
Am I being deceived?
Who is an enemy?
Tell me...

Obedience is the sign of death.
Think firmly with your brain.
Obedience is the sign of death.
Prosecute a man folly.

Tell me a truth and a lie.
