Mary...Kiss my chest deeply
Yoku wo kuruwa su Chloe no Feminine

Mary...Your the eyes
Karamu kokyuu wa nama atataka ku

Abandon insanity
Scatter instinct

Shisen sora sazu kami tsui te
Kobosa nuyouni shitasaki de

Endless fuckin' show time

The beautiful devil on the bed
Tempt me by masturbation
The beautiful devil on the bed
Let's have sex in darkness

Sungeki zecchou no saijoukai
Sugu soko de waratte ruyoude

Endless fuckin' show time

The beautiful devil on the bed
Tempt me by masturbation
The beautiful devil on the bed
Let's have sex in darkness

Abandon insanity

Tempt me by masturbation

My devil on the bed
