Don't delete the value to live for by death

Kanjou wo kaki midashi te kimi ga odotte ru
Hibi kanji ru kutsuu wo hai te ashita wo iki rerunara

The only words that I can say to you
-Don't forget the heat that felt here-

Myakuutsu kodou mune ni sashi te kimi ga nageki
sakebu
Hedoro nure no sono ashi de koko ni kodoku wo sute ni
kore baii

The only words that I can say to you
-Don't forget the heat that felt here-

Spit out a pain here
Erase a hesitation
Kiko eteirukai ?

To this day

How many times did you think about death?
In the small world
The death doesn't give freedom to you
Even feelings fade away
How many times did you think about death?
In the broken world

If you can believe nothing
Spit out a pain here

The only words that I can say to you
-Don't forget the heat that felt here-

Kiri tsukeru mae ni toi kakete mina agaite made yuki
teyuku kachi ni
Asu wo tatsu sono muimi sani dareka ga negatta asu
ni-

How many times did you think about death?

In the small world
The death doesn't give freedom to you
Even feelings fade away
How many times did you think about death?
In the broken world
Tomorrow does not disappear
Don't kill yourself

How many times did you think about death?
In the small world
The death doesn't give freedom to you
Even feelings fade away
How many times did you think about death?
In the broken world
Tomorrow does not disappear
Don't kill yourself
