Hold me, Stanley
I love you, love you
Love you, love you
Not now Emily, go away

Hold me, Stanley
I need you, need you
Need you, need you
Not now Emily, go away

I should have stayed with Peter
I should have stayed with William
I should have stayed with Rupert
I should have stayed with Hal

Hold me, Stanley
I love you, love you
Love you, love you
Not now Emily, go away

And hold me, Stanley
I need you, need you
Need you, need you
Not now Emily, go away

I should have stayed with Steven
I should have stayed with Allan
I should have stayed with Robert
I should have stayed with Hal

Maybe one day, I'll find love
Maybe one day, I'll find love
Don't tell me how to do it
Seven times, there's nothing to it

You'll never [Incomprehensible] me

I should have stayed with
I should have stayed with
I should have stayed with
I should have stayed
