Went on down to penny lane  
Just me your picture and the rain  
I told you all about my day  
You smiled at all I had to say

And I decided thatâ€¦  
You're much nicer on Kodak paper  
You're always smiling at me  
You're much nicer on Kodak paper  
I really wish you could be  
Like the girl in your picture

Called you on the telephone  
You said you'd like to be left alone  
So I pulled out your picture again  
And told you all the stuff I was in

And then I told youâ€¦  
You're much nicer on Kodak paper  
You're always smiling at me  
You're much nicer on Kodak paper  
I really wish you could be  
Like the girl in your picture  
Like the girl in your picture

You had a bad relation  
Were not meant to be  
I think that late play  
And I agree that

You're much nicer on Kodak paper  
You're always smiling at me  
You're much nicer on Kodak paper  
I really wish you could be

You're much nicer on Kodak paper  
You're always smiling at me  
You're much nicer on Kodak paper  
I really wish you could be  
Like the girl in your picture  
Like the girl in your picture  
Like the girl in your picture

Like the girl in your picture  
Like the girl in your picture
