I was a boy with rosebud eyes
Left through the limitless starless skies
There was a time my mind was wild
Back to the burnin' farrow child
Now and again I remember still
Nowhere man by the window sill
Rainy outside as I recall
Animal shadows on my wall
You and me, baby you know
You'll always be alright
Oh, when will you know?
Show me a sign.
Oh Caroline
Stay with me tonight
Baby be mine
Oh Caroline

Where do you go when you dream all day?
Remember the game we used to play
Chase the invisible land amnies
Pirate ships through the willow trees
Funny how life can turn you around
Trade your bed for the cold damp ground
It don't matter, we've grown anyhow
Ain't no use, no turnin' back now
You and me, baby you know
You'll always be alright

Oh, when will you know?
Show me a sign
Oh Caroline
Stay with me tonight, baby be mine
Oh Caroline
