right now I'm feeling some pain in my sack

please let me put it in baby....come on, come on  
Please let me put it in baby...come on, come on

Baby I drink my roots and I drink my fish tea  
and right now baby I want some of you honey  
come on baby I don't care if it cost my money  
cause right now baby, I'm feeling soo horney

let me dip my spoon down into you hot pot  
baby I know the pain is what you're afraid of  
baby let me give you and give you non stop so

Please let me put it in baby...come on, come on

right now I want it in the night or in the day then  
I heard that Goofy has his eyes on you  
and Red Rat is writing a song about you  
General Degree good fi get you  
But I want to put this right into you.....oooweee

Please let me put it in baby...come on, come on
