Yo where the fuck is Queens? (RIGHT HERE!)

Yo (WE RIGHT HERE!)

We can face the fuck off like hockey or Face Off like
Travolta

Face off like car radios with the mind of Minolta

Face off like Treach if you're fuckin with Vin Rock

You still pop shit? I face off like fembots

And I'm the six million motherfuckin dollar man

with a six million muh'fuckin dollar plan

For thug niggaz and pimp players and drug niggaz

Your technique, I sweep under the rug niggaz

Out of Queens, shit I serve with the fiends and bug
niggaz

I'm above niggaz, but all in all, I love niggaz

like my man Benny Rat (uh) showed me the rap game

Told me never to act sane on a record or rap plain

Now the name reign supreme, seen major creme

Rhymes, sicker than lyme disease and gangrene

I'm the most obligated, nigga creatin havoc

Check the meaning for Monch, the meaning becomes
tragic

RAW - if you want it

RAW - yea we got it indeed

Yo actually I'm just tryin to eat

FOR SURE - if you need it on tour

Yea we ready to bleed

I'm sayin God I'm just tryin to eat

[Xzibit]

Yo, yo, now where L.A. at? (RIGHT HERE!)

C'mon! (c'mon) (RIGHT HERE!)

I am the master of the ceremony

So my territory be off limits to gimmicks and niggas
with trash lyrics

And tracks that lack spirit so pop ya collar

Fuck ya dollar I'm extra tough and hard to swallow

Hard act to follow, never a role model or what-not

Set-up shots, slipknot my way to the top of the pile

Then changin the direction of it

From the niggas that hate it to niggas that love it,
what'chu want from it?

A [?reputation?] of the luxurious life

Baby find you a hooker you can transform into a
housewife?

You loose stripes and you a sight through your
windpipe

With action, cameras and lights and your shit ain't tight

You're short on sight, thug rugged, the love of it

Push it or slam it or shove it in a vein with dope

Remain with smoke, remote with Tash and Rass Kass

Don't prevoke me to revoke your visitor's pass

Get ate like Mickey D's after the hydro when you push
me
Get ate like cannibalism and sliced surgical
In any extremity y'all get infinity vertical
Every line to word of mine will be verbally placed to
murder you
The master, flippin convertible flows irreversible
Unobtainable to the brain it's unexplainable what the
verse'll do
Pharoahe's the sperm your mind's the eggs I'm burstin
through
Y'all heard of me, I pack macs and crack vertebraes
Leave niggaz with third degree burns and back surgery
Mics guns knives, pick declare which object, flip
Have niggaz runnin like the Blair Witch Project
RAW - if you want it
RAW - yea we got it indeed
Yo actually I'm just tryin to eat
