"A Time Where Hope Was Lost"

Strike first. In a time where hope was lost. You
sacrificed, You paid the cost.
For my sins, for redemption. For relationship. Salvation.
Redemption.
Resurrection. Salvation. Forever... Redemption.
Resurrection. Salvation.
Forever. In a time where hope was lost. You sacrificed,
You paid the cost. For
My sins, for redemption. For relationship. I WITNESS.
The end when all things
Go back to start again. I witness. The end when all
things go back to start
Again, again... This is the pulse of a new generation.
And at the sound of the
Voice of our God we will arise an army of... We let the
world hear the sound
Of our destiny.
