i never wanted

i never wanted to touch a man

the way that i want to touch you

i never wanted

i never wanted to love a man

the way that i want to love you

you are sunshine

you are shadows

you are morning

you are night

you are hard times

you are good times

you are darkness you are.....light

i never wanted

i never wanted to give a man

the things that i want to give you

i never wanted

i never wanted to live with a man

the way that i want to live with you

you are sunshine

you are shadows

you are morning

you are night

you are hard times

you are good times

you are darkness

you are.....light

i never wanted

i never wanted to touch a man

the way that i want to touch you.....

the way that i want to touch you now.....

the way that i want to touch you
