Intro:

Please let me put it in baby... come on, come on
Please let me put it in baby... come on, come on
Baby I want to make a legal contract
If you give me one time, I got to come back
Baby don't complain you're about to get slap
Right now I'm feeling some pain in my sack

So....

Chorus:

Please let me put it in baby... come on, come on
Please let me put it in baby... come on, come on
Please let me put it in baby... come on, come on
Please let me put it in baby... come on, come on

Verse 1:

Baby I drink my roots and I drink my fish tea
And right now baby I want some of you honey
Come on baby I don't care if it cost my money
Cause right now baby, I'm feeling soo horney
Baby I want a little of what you got
Let me dip my spoon down into you hot pot
Baby I know the pain is what you're afraid of
Baby let me give you and give you non stop so

Chorus

Verse 2:

You are my baby
You are my maiden
I'm carrying a load baby
I'm heavy laiden
Let me just spray this hose over your garden
Right now I want it in the night or in the day then
I heard that Goofy has his eyes on you
And Red Rat is writing a song about you
General Degree good fi get you
But I want to put this right into you.....oooweee

Chorus
